CodeWar V2.0

The program represents a significant stride into the future of FRESHMEN ENGINEERS. Our overarching goal is to unify the coding community and provide first-year engineering students with a comprehensive understanding of real-world programming, fostering a spirit of healthy competition. This event is positioned to serve as a pivotal juncture in the journey of freshmen across Tamilnadu. Our program is designed to serve as a unifying platform, facilitating the convergence of students from across Tamilnadu, providing them a stage to showcase their skills and compete in the realm of programming.
